

## Little Green Footprint Code of Conduct

As members of the Little Green Footprint community, we are committed to promoting environmental sustainability and reducing our impact on the environment. We strive to uphold the highest standards of ethical and sustainable practices in all aspects of our operations. As such, we have developed this Code of Conduct as a guide to ensure that all members of the Little Green Footprint community adhere to our values and principles.

1. **Environmental Responsibility:** We are committed to reducing our environmental impact and promoting sustainability. We will strive to operate in an environmentally responsible manner, minimise waste, and reduce energy consumption.
2. **Ethical Conduct:** We will conduct ourselves in an ethical and transparent manner, following all relevant laws and regulations. We will operate with honesty and integrity in all of our interactions with members, partners, and the wider community.
3. **Social Responsibility:** We will respect the rights and dignity of all individuals and communities. We will strive to promote social responsibility and inclusivity in all of our operations.
4. **Sustainable Procurement:** We will prioritise the procurement of environmentally sustainable and socially responsible products and services. We will strive to source products and services locally, reduce packaging waste, and minimise the environmental impact of our supply chain.
5. **Responsible Marketing:** We will market our products and services in an honest and transparent manner. We will avoid making misleading claims and will provide accurate and relevant information to our customers.
6. **Continuous Improvement:** We will strive to continuously improve our environmental and sustainability performance, and will regularly review and update our practices to ensure that we are meeting our commitments.
7. **Collaboration:** We will work collaboratively with our members, partners, and the wider community to promote sustainability and reduce our environmental impact. We will seek opportunities to share knowledge, resources, and best practices to achieve our common goals.

By adhering to this Code of Conduct, we demonstrate our commitment to creating a more sustainable future for all. As members of the Little Green Footprint community, we hold ourselves accountable to these values and principles and strive to promote sustainability in all aspects of our operations.
